PHOTOGRAPHIC INTELLIGENCE MEMORANDUM

"PERPENDICULAR"

GP/I - 170
16 April 1956

This memorandum is for record purposes only. It records the completion of a project requested by DD/P. Five distances and two bearings were determined from photogrammetric calculations performed on 15 ground photographs supplied by the requester. This project was completed on a "crash" basis and the results were delivered directly to the requester.
